Detangler

Nickelback

I asked you to stay
But you said,"There's no way"
I begged you call
And you leave me after all
I know I'm not to blame
I know you don't feel the same
Didn't even tell me why
You just left me here to die
I stand, I fall, I bounce
Off these 4 walls
You laugh, you leave
And you leave me here alone
I'm guilty too
I'm giving all to you
That's my one sin
Sorry for giving in
Didn't mean to waste your time
Thanks for wasting mine
Could have tried to let me be
Would you just set me free?
I stand, I fall, I bounce
Off these 4 walls
You laugh, you leave
And you leave me here alone
Is this how its gonna be?
It's fine for you, not for me
Did you even care at all?
You stand, I fall, you stand, I fall
Could I pay you not to?
Could I pay you not to?
Could I pay you not to?
Could I pay you not to?
Could I pay you not to?
Could I pay you not to?
Could I pay you not to?
Could I pay you not to?
I asked you to stay
But you said,"There's no way"
I begged you call

And you leave me after all
I know I'm not to blame
I know you don't feel the same
Didn't even tell me why
You just left me here to die
I stand, I fall, I bounce
Off these 4 walls
You laugh, you leave
And you leave me here alone
Is this how its gonna be?
It's fine for you, not for me
Did you even care at all?
You stand, I fall
Fall, fall
Fall, fall
...
