Dreamchaser

Atlantis Awaits

In an unheard dream you're the pantomime
Your footsteps creep in the doorway
Blue eyes that burn their way through mine
A silk temptress fading
My memory knows the reasons why you cannot stay with me
You're gonna leave the world behindAs you walk out that door I tremble
As you turn I scream "leave the light on"
I am a fool for you
I'm sure I don't have all the answers
You're a dreamchaser...Moving faster now in the hopes to find
A fire that will ignite you
The chance to breathe, to open your eyes
You keep me waiting
My memory knows the reasons why you cannot stay with me
You're gonna leave the world behindAs you walk out the door I tremble
As you turn I scream "leave the light on"
I am a fool for you
I'm sure I don't have all the answers
You're a dreamchaser...Why try to stop you it's your calling, calling now
I'd only keep you down and you won't come backAs you walk out the door I tremble
As you turn I scream "leave the light on"
I am a fool for youI FIND MYSELF AT THE END OF THE EARTH
LOOKING BACK AT WHAT I LEFT BEHIND
WAS IT WORTH LEAVING ALL THAT I LOVE
JUST TO SEARCH FOR MY OWN PEACE OF MIND?Moving on, yes it was me in that picture
Leaning on your shoulder
You said I meant the world, you said we'd have it all
Clearly I was wrongHow many nights did I beg you
"Take me with you. Take me away"
You said "I'm coming back"
But you never came back for me...In an unheard dream you're the pantomime
Your footsteps creep in the doorway
Blue eyes that burn their way through mine
A silk temptress fading
