Young Love

Donny Osmond

They say for every boy and girl
There's just one love in this whole world
And I know I've found mine
The heavenly touch of your embrace
Tells me no one could take your place
Ever in my heart
Young love
first love
Filled with deep devotion
Young love
our love
We share with deep emotion

Just one kiss from your sweet lips
Will tell me that your love is real
And I can feel that it's true
For we will vow to one another
There will never be another
Love for you or for me
Young love
first love
Filled with deep devotion
Young love
our love
We share with deep emotion
