Don't Tell Me U Love Me

Kid Rock

From hard luck tricks
To trust fund freaks
Bathroom stalls to penthouse suitesI been around
I been aroundFrom the bottom of the barrel
To the cream of the cropThey've picked me up
And I've watched 'em dropI been around
I been aroundI sang 'em all a song or two
About simple things
Still I feel I'm bein' used
Ain't a damn thing changedI'm an outlaw
Bad Leroy Brown
The only Cool Hand Luke left in this town
I get my lovin' on the runI'm a low down
Mister fly by night
Baby slow down
Let me show you right
I sure don't wanna hurt no oneSo, don't tell me you love me
Don't tell me you love, love me do
Don't tell me you love me
'Cause love's one thing that I cannot do
And it's the only thing that I can't give to youFrom Hollywood hoes to backstage jive
Jacked up trucks and Gulf Stream 5's
I been around
I been aroundFrom silly little girls who play them games
To the rich and famous
I won't say no names
I been around
I been aroundYou gotta touch the stove to learn they say
Get burnt and learn that way
You better keep your feelings at bay
Or honey you gonna payI'm an outlaw
Bad Leroy Brown
I'm the only John Wayne left in this town
I get my lovin' on the runI'm a low down
Mister fly by night
Baby slow down
I'ma fuck you right
I sure don't wanna hurt no oneSo, don't tell me you love me
Don't tell me you love, love me do

Don't tell me you love me
'Cause love's one thing that I cannot do
And it's the only thing that I can't give to youSo, don't tell me you love me
