Teach Me How To Jerk

Audio Push

Can you teach me how to jerk, jerk, jerk?
Jerkin'
Teach me how to jerk
Teach me, teach me how to jerk
Tech me how to jerk
Teach me, teach me how to jerk
Teach me how to jerk
Teach me, teach me how to jerk
Teach me how to jerk
Teach me, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Now when it come to the jerk
We got the potion
They see the Push
And leave they circles open
I'm rejectin' it might leave my back broken
Now tell me if you can jerk in slow motion
Like this, you know that my team's sick
I'm sure you see my whole squad with them clean whips
Now watch me clean dip
You see the clean kicks
Try to jerk like me
I guarantee it'll leave your jeans ripped
Pause, drop, go, stop
I let my chain bang, gang swang, go watch
Girls tell me when I jerk I look so hot
'Cause I be jerkin' like I'm tryna
Make the boat rock
We killin' the game but we hurtin' the street
They say that push on fire
We work in the heat
So if ya tryna do the dance
Work with your feet
Rock slow, drop low and jerk to the beat like
Jerkin'
Teach me how to jerk

Teach me, teach me how to jerk
Tech me how to jerk
Teach me, teach me how to jerk
Teach me how to jerk
Teach me, teach me how to jerk
Teach me how to jerk
Teach me, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
I just need ya to
Okay, hi I'm him
Hair hang low right up under my brim
We are them guys not concerned 'bout wind
It's your time to jerk with them lights on dim
And all you other dudes keep it on you
I pose for the camera
I'ma let 'em get a view
The ladies always love it when I'm doin' what I do
They be sayin', "Oktane, you just jerk so cute"
Okay, I just say thanks and my chain
They try to grab it
Wanna copy the jerk, go ahead, you can have it
Dolla rockin' be nice
And we ain't really braggin'
But stuntin' is just natural
Jerkin' is the habit
Yeah, I'm the reason that ya chick make you wanna curse
She all up on ya, boy
'Cause she hear me on this verse
The ladies give me room
'Cause they see me when I work
And when I'm done
They be askin', "Can you teach me how to jerk?"
Jerkin'
Teach me how to jerk
Teach me, teach me how to jerk
Tech me how to jerk
Teach me, teach me how to jerk
Teach me how to jerk
Teach me, teach me how to jerk
Teach me how to jerk
Teach me, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk

Teach me how to, teach me how to, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Teach me how to, teach me how to, teach me how to jerk
Jerk, jerk, jerk, jerk, jerk, jerk, jerk, jerk, jerk, jerk
Okay, pause, step, now do that reject-ject, do that, do that reject
P-pause, step, now do that reject-ject, do that, do that reject
Now put your knees to the ground and take it down
Digga down, down, down, digga down, take it down, digga down
Just put your knees to the ground and take it down
Digga down down, down, digga down, take it down, digga down
And now we dippin', dippin', dippin' hold that
Dippin', dippin' dippin' hold that
Dippin', dippin' dippin' hold that
Dippin', dippin' dippin' hold that
And you know how it go when I UFO, I UFO, UFO
Girl you know how it go when I UFO, I UFO, UFO
