

# Used to Be My Girl

Brian McKnight

Yeah, I feel sexy right there  
Yeah, feel it all this way  
B. McKnight, we're Tim and Bob  
This is not another love song See, I know what you're thinkin', you're feelin' like a lucky guy  
I was the same way 'cause she was hard to come by  
I was on her so hard, that I almost lost my hustle  
Go 'head, playboy, do your thing, don't be mad if she calls my name Walkin' around, supportin' her, holdin' her  
hand  
Doin' it big like you're the man  
But she was my girl, she used to be my girl  
I must admit that she's a ten  
Bet she didn't tell you about way back when  
When she was my girl, she used to be my girl See, I know how you're feelin', I used to be in your shoes  
So calm down with the attitude, you're just a next somebody new  
You never know how much she's feelin' you  
So be happy that you got her  
Don't know much about you, dude, sorry, I gotta break the news She's still thinkin' 'bout me and I'll tell you  
why  
She couldn't even hold her head up when you walked by  
Well, don't go hatin' on me, it's just a game  
You want her, you got her, take her, you got her, to me it's all the same Walkin' around, supportin' her, holdin'  
her hand  
Doin' it big like you're the man  
But she was my girl, she used to be my girl  
I must admit that she's a ten  
Bet she didn't tell you about way back when  
When she was my girl, she used to be my girl Walkin' around, supportin' her, holdin' her hand  
Doin' it big like you're the man  
But she was my girl, she used to be my girl  
I must admit that she's a ten  
Bet she didn't tell you about way back when  
When she was my girl, she used to be my girl Erotic, exotic, you must admit she's got it, she used to be my girl  
Sexy with talent, built like a stallion, she used to be my girl  
You got her so flaunt her, know everybody wants her  
She used to be my girl  
'Cause you might not be the only, so never leave her lonely She's still thinkin' 'bout me and looking here  
She's still thinking 'bout me and I'll tell you why  
She couldn't even hold her head up when you walked by  
Don't go hatin' on me, it's just a game

You want her, you got her, take her, you got her, to me it's all the same Walkin' around, supportin' her, holdin'  
her hand

Doin' it big like you're the man

But she was my girl, she used to be my girl

I must admit that she's a ten

(She used to be down with me) Bet she didn't tell you about way back when

(She used to be a freak for me)

When she was my girl, she used to be my girl

(We used to hold hands, she used to understand)

(She used to be down with me) Walkin' around, supportin' her, holdin' her hand

(She used to take trips with me)

Doin' it big like you're the man

(She used to wiggle her hips for me)

But she was my girl, she used to be my girl

(She used to lick her lips for me, she used to, she used to) I must admit that she's a ten

Bet she didn't tell you about way back when

(She used to, she used to, she used to be my girl)

When she was my girl, she used to be my girl

(She used to be my girl, she used to be my girl) Yeah, yeah, yeah, yeah, used to be my girl

Yeah, yeah, yeah, yeah, used to be my girl

Yeah, yeah, yeah, yeah, used to be my girl

Yeah, yeah, yeah, yeah, used to be my girl
