Only for You

The Thermals

I'm cut for you
If only to show you the way
I'm cut for you
If only to follow your fate
I'm cut for you
If only to make you feel small
I'm cut for you
If only to cushion your fall
My loveIf only to capture your days
If only to match your hate
If only to offer the truth
It's a feeling I always refuse
But only for you
(Only for you)
(Only for you)
(Only for you)
My love
(Oh oh)
(Oh oh)
(Oh oh)
(Oh oh)When you were born you were sore and underweight
When you were made you were made from mistakes
Now you feel only fear and caress
And you carry a terrible stress
My loveIf only to capture your days
If only to match your hate
If only to offer you more
It's a feeling I always ignore
But only for you
(Only for you)
(Only for you)
(Only for you)
My love
(Oh oh)
(Oh oh)
(Oh oh)
(Oh oh)If only to capture your days
If only to match your hate
If only to throw you away

My love
(Oh oh)
(Oh oh)
(Oh oh)
(Only for you)
(Only for you)
