

# Bullprick

## Megadeth

Pounding in my teeth, hydraulics on the move  
Kicking in my face, savage bucking mule  
Pummeling my soul, 100 tons of lead  
Trampled underfoot, steamrollers on my head  
Crushing down, caving in my will to live  
I'd rather be dead, scream insane  
To have the bullprick, split their guts  
Make them pay, make them bleed  
On your backs, in your face  
Down your throats, up your ass  
Bullprick  
Pulverizing flesh, broken bones the aftermath  
Can't escape the war, the war machine path  
All become one, flattening the streets  
Cry for absolution, splitting at the seams  
Crushing down, caving in my will to live  
I'd rather be dead, scream insane  
To have the bullprick, split their guts  
Make them pay, make them bleed  
On your backs, in your face  
Down your throats, up your ass  
Bullprick  
On your backs, in your face  
Down your throats, up your ass  
On your backs, in your face  
Down your throats, up your ass  
On your backs, in your face  
Down your throats, up your ass
