

Parties at the Disco (feat. ZZ Ward)

Asher Roth

[Hook]

(Asher Roth)

Thinkin' 'bout the oh, oh, oh, oh, oh,
call me feelin' wishful.

Thinkin' 'bout the oh, oh, oh, oh, oh,
parties at the disco.

If I could fly, I would fly, I would fly, I would fly away.

From here.

(ZZ Ward)

You might get ?? just because it's hard to make ends meet.

But all the money don't mean shit if you ain't here with me.[Verse 1]

(Asher Roth)

Cuz the cash rules everything around, so, every now and then feelin' like I'm out of town.

Gotta chill, sit down, 'member how to be a child?

Wide eyes wit a smile.

What? When? Where? How?

Style so nostalgic, lisp and a cowlick.

Jump to the moon wit a spoon and a spatula.

Trapped in the past, thinkin' "How do we get back to it?"

Got that funny funny feel in' at last.

Feelin' like...[Hook]

(Asher Roth)

Thinkin' 'bout the oh, oh, oh, oh, oh,
call me feelin' wishful.

Thinkin' 'bout the oh, oh, oh, oh, oh,
parties at the disco.

If I could find, I would find, I would find, I would find a way,
my dear, my dear.

(ZZ Ward)

You might get ?? just because it's hard to make ends meet.

But all the money don't mean shit if you ain't here with me.[Verse 2]

(Asher Roth)

Yeah, to get some you give some, so pick one.

Lose some, you win some, so have fun.

Don't stress or do flips, just press on.

Mood twist, the shoe fits, so step on.

Keep walkin' down the path that you meant for,
dog barkin' at the cat it's essential.

We will always come back to the threshold,

but first, you gotta let go.[Hook]

(Asher Roth)

Thinkin' 'bout the oh, oh, oh, oh, oh,
call me feelin' wishful.

Thinkin' 'bout the oh, oh, oh, oh, oh,
parties at the disco.
