

Independent (Feat. Lil Phat And Lil Boosie)

Webbie

I N D E P E N D E N T do you know what that mean mane (x2)

She got her own house

She got her own car

Two jobs work hard you a bad broad

If you ain't on sit down

If you ain't on sit down

If you ain't on sit down

If you ain't on sit down I N D E P E N D E N T do you know what that mean

Baby Phat just relax front ya own flat screen

Back rubs cook clean and don't make her make her seen

When you call her on her cellular

She tell she don't need

Not a god damn thing you a hot damn thing

If you think you finna get her wit a god damn chain

You insane boy you betta get some god damn change

She a fool been in school even walked across the stage

She say I love Webbie from his looks to his ways

The stilletoes the jays depend on how the weather look

Flip flops slippers just to show off the pedicure

Flip flop niggas depend on how the cheddar look

She'll buy her own I don't think she 'll never look

In a man face standin' waitin for him to take care of her

She'll rather go to work and pay the bills on schedule I N D E P E N D E N T do you know what that mean mane
(x2)

She got her own house

She got her own car

Two jobs work hard you a bad broad

If you ain't on sit down

If you ain't on sit down

If you ain't on sit down

If you ain't on sit down She a dumb dime keeper

Gutta like Keisha

Work that meat up

All she want is that dick
