Hey Brother

The Fumes

Hey brother, there's an endless road to rediscover
Hey sister, no the water's sweet but blood is thicker
Oooooh with the sky comes falling down,
for you there's nothing in this world I wouldn't doHey brother, do you still belive in one another
Hey sister, do you still belive in love I wonder
Oooooh with the sky comes falling down,
for you there's nothing in this world I wouldn't doWhat if I'm far from home, oh brother I would hear your calls
What if I'd lose it all, oh sister I'd help you then
Oooooh with the sky comes falling down,
for you there's nothing in this world I wouldn't doHey brother, there's an endless road to rediscover
Hey sister, do you still belive in love I wonder
Oooooh with the sky comes falling down,
for you there's nothing in this world I wouldn't do
