

# Babylon

[Don Mclean](#)

By the waters  
The waters of Babylon  
We lay down and wept  
And wept for, thee Zion  
We remember, thee remember  
Thee remember, thee Zion

By the waters  
The waters of Babylon  
We lay down and wept  
And wept for thee Zion  
We remember, thee remember  
Thee remember, thee Zion

By the waters  
The waters of Babylon  
We lay down and wept  
And wept for thee Zion  
We remember, thee remember  
Thee remember, thee Zion
