

What's The Dillio?

Mest

There's this little girl and I think she's so fine
And I'm not giving up until she is mine
See I want to be her boy and I want her to be my girl
Because since I've met her I been in another world
She was just my friend and now I want more
There's something special to her
She's not just another whore, I said
What's the D-D-Dillio, Dillio?
What's the d-d-deal, deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal, deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal?
See everybody else has gotten involved
That's not the way this should've evolved
I should have just told you how I felt
But when I'm around you my words just melt
She was just my friend and now I want more
There's something special to her
She's not just another whore, I said
What's the D-D-Dillio, Dillio?
What's the d-d-deal, deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal? Deal

What's the D-D-Dillio, Dillio?
What's the d-d-deal, deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal?
She was just my friend and now I want more
There's something special to her
She's not just another whore
She was just my friend and now I want more
There's something special to her she's not
What's the D-D-Dillio, Dillio?
What's the d-d-deal, deal?
What's the D-D-Dillio, Dillio?

What's the d-d-deal? Deal
What's the D-D-Dillio, Dillio?
What's the d-d-deal, deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal, deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal? Deal
What's the D-D-Dillio, Dillio?
What's the d-d-deal, deal?
What's the D-D-Dillio, Dillio?
What's the d-d-deal?
I know how much of this thing that I am
