Town Without Pity

Gene Pitney

When you're young and so in love as we
And bewildered by the world we see
Why do people hurt us so
Only those in love would know
What a town without pity can doIf we stop to gaze upon a star
People talk about how bad we are
Ours is not an easy age
We're like tigers in a cage
What a town without pity can doThe young have problems, many problems
We need an understanding heart
Why don't they help us, try and help us
Before this clay and granite planet falls apart
Take these eager lips and hold me fast
I'm afraid this kind of joy can't lastHow can we keep love alive
How can anything survive
When these little minds tear you in two
What a town without pity can doHow can we keep love alive
How can anything survive
When these little minds tear you in two
What a town without pity can doNo, it isn't very pretty what a town without pity
