

Hug You Like A Mountain

[Eliza Carthy](#)

Sometimes we're quiet
Because we want to listen
Or 'cause there's so much
We want to say
The heavens and hells in us
Drive us, drive us insane
Chorus:
I'll hug you like a mountain
I'll hug you like a mountain
I'll hug you close to me
I'll hug the cage in you
The cage is in you-ou
You-ou are close to me
We are lonely sometimes
She said hugging her knees
I love you, yes I love you
Do you love me? Please...
Chorus
I keep looking for you
Amongst unfamiliar faces
When I walk the streets
Ride the bus
And squeeze myself
out of crowded places
Chorus
We wash away our lies
With our tears and we're naked
When we're crying
We look for the truth in
Everything we do
And we love ourselves
Laughing, laughing, laughing
And we love ourselves
Laughing, laughing, laughing
Chorus
I'll be the one you can stay with
When all your loves aren't true
Down hills in my heart
I'll come running to you
Chorus
