

Let's Have Some Fun

Mechanical Cabaret

Don't try to think: There's no room for thought

Isn't this something that you were taught?

I've never thought that I had a chance, Æ• I'm taking the pills I need to dance,

I'm as good as dead now I'm in a trance
Concern for others has ceased to exist I'm septic, infected, there's shit
on my fist

I'm playing the field while I sit on the fence I'm joining the ranks of the sexually dense

I'm as good as dead now, I've no common sense
It's a 'New Age' but the same as the last Everyone loves
dragging things up from the past

You can flog a dead horse to anyone- Consumers we'll be until thy Kingdom come

We're as good as dead now, so let's have some fun!

Oh, Let's Have Some Fun
