Waiting For Sunlight (Demo)

Eric Nakassa

Will you be fine waiting for sunlight?
Troubled and weak, finding no harmony
Bottles align as the pills all collide
Young and so frail, hiding your feelings

They treat you no better
I'll be your friend
I'll be your friend

But we'll be together
I'll be your friend
I'll be your friend

Dream of a time longing for sunlight
Counting the days, the room fades to grey
Treading through waters, life sits so still.
Thoughts tend to stay awake while I'm sleeping

They treat you no better
I'll be your friend
I'll be your friend

But we'll be together
I'll be your friend
I'll be your friend

Will you be fine waiting for sunlight?
