Repo Man

The Coup

Who is the motherfucker rollin' through the hood?
Who is the motherfucker up to no good?
Y'all know who he is
Y'all know just who he isWho is the motherfucker takin' your bank?
Who is the motherfucker always on the gank?
Y'all know who he is
Y'all know just who he isNow who's that motherfucker who rollin' down my street
Every other week, jackin' shit while ya sleep
Creepin' through the cuts, heartless don't give a fuck
If ya broke, "Did you pay last month's car note?"Oh, I be scrapin', scratchin' for bones
I got the cellular phone I just picked up on loans
Keepin' up with them Jones put my ass in debt
Now who's the motherfucker tryin' to take my shit?It's the Repo Man, addin' interest rates
He's got "break-yourself" on his license plate
He took my color TV, the dining room set
The microwave, my daddy's corvetteIf you in debt, he's gon' get your ass for somethin'
I heard it's no future in your frontin'
So let it be known, black folks don't own
They just give us this shit on loanWho is the motherfucker rollin' through the hood?
Who is the motherfucker up to no good?
It's the Repo Man
It's the Repo ManWho is the motherfucker takin' your bank?
Who is the motherfucker always on the gank?
It's the Repo Man
God damn, it's the Repo ManSeen him slidin' through the town about eleven O'clock
A 1994 850 and the tires were stock
He'll make a visit to your house like without no knock
And if you pulls out a pole it wouldn't be no shockI gives a fuck how much you bench press, if you ain't pushin' up
That twenty-five percent interest, your property gets chin checked
Repossessed, now your ride is at the shoe department, dressed for less
He gives a fuck if you'se a mobber with three toddlers and a infantHe'll take the TV and the carpet in the living room that's stain resistant
It's like living in the house wit your daddy pearchin' nice
You can own a chair but it's still pop's merchandise
And ain't no gettin' up and movin' outsideThe Repo Man got clientle worldwide
But trip on this when you think you step ahead
'Cause most likely, you one paycheck ahead
Of the Repo ManWho is the motherfucker rollin' through the hood?

Who is the motherfucker up to no good?
Y'all know it's the Repo Man
It's the Repo ManWho is the motherfucker takin' your bank?
Who is the motherfucker always on the gank?
It's that Repo Man
God damn, it's the Repo ManWho is the motherfucker rollin' through the hood?
Who is the motherfucker up to no good?
Who is the motherfucker takin' your bank?
Who is the motherfucker always on the gank?Who is the motherfucker rollin' through the hood?
Who is the motherfucker up to no good?
Who is the motherfucker takin' your bank?
Who is the motherfucker always on the gank?Who is the motherfucker rollin' through the hood?
Who is the motherfucker up to no good?
Who is the motherfucker takin' your bank?
Who is the motherfucker always on the gank? [unverified]
