

# Turn Down for What

## Diezel

Five to now  
Another round of shotsTurn down for what  
    Turn down for what  
    Turn down for what  
    Turn down for what  
    Turn down for whatFive to now  
Another round of shotsTurn down for what  
    Turn down for what  
    Turn down for what  
    Turn down for what  
    Turn down for whatFive to now  
Another round of shots  
    Five to now  
    Another round of shots  
        Five to now  
        Another round of shots  
            Five to now  
            Another round of shots  
                Five to now  
                Another round of shotsTurn down for what  
            Turn down for what  
            Turn down for what  
            Turn down for what  
            Turn down for what
