

Africa

Wayne Wallace

Africa is my descent
And here I am far from home
I dwell within a land that is meant
For many men not my tone, yeah
The blood of God is my defense
 Let it drop down to my seed
 Showers to your innocence
 To protect you for all eternity
And with this wood I beat this drum
 And we won't see defeat
 From kings to queens
 Becomes a prince
 Knowledge and wisdom
Is understanding what we need
 (And this day will come)
 Ever since the day you came
My whole world began to change
I knew then to dedicate my life
 For your own
 (And this day will come)
 Everyday I see you grow
And remember what you already know
 I receive, I receive the love
 That radiates from your glow
From which you came was love
And that's how it all should be
 You and my soul are I
Through all the time and history, yeah
 (And past)
 Thank you, thank you
