Overgrown (Infuze Remix)

James Blake

I don't want you to know
I took it with me
But when things are thrown away like they are daily
Time passes in the constant state
So if that is how it isI don't wanna be a star
But a stone on the shore
Long door, frame the wall
When everything's overgrownBut what she really really wanted was my rights in the rooms
And I wouldn't understand that I would try to play alongAnd I don't want you to know
I took it with me
But when things are thrown away like they are daily
Time passes in the constant state
So if that is how it isI don't wanna be a star
But a stone on the shore
Long door, frame the wall
When everything's overgrownBut what she really really wanted was my rights in the rooms
And I wouldn't understand that I would try to play alongAnd I don't want you to know
I took it with me
But when things are thrown away like they are daily
Time passes in the constant state
So if that is how it isI don't wanna be a star
But a stone on the shore
Long door, frame the wall
When everything's overgrownBut what she really really wanted was my rights in the rooms
And I wouldn't understand that I would try to play alongAnd I wouldn't understand that I would try to play along
And I wouldn't understand that I would try to play alongAnd I don't want you to know
I took it with me
But when things are thrown away like they are daily
Time passes in the constant state
Time passes in the constant state
Time passes in the constant state
Time passes in the constant state
