

# Overgrown (Infuze Remix)

James Blake

I don't want you to know

I took it with me

But when things are thrown away like they are daily

Time passes in the constant state

So if that is how it is I don't wanna be a star

But a stone on the shore

Long door, frame the wall

When everything's overgrown But what she really really wanted was my rights in the rooms

And I wouldn't understand that I would try to play along And I don't want you to know

I took it with me

But when things are thrown away like they are daily

Time passes in the constant state

So if that is how it is I don't wanna be a star

But a stone on the shore

Long door, frame the wall

When everything's overgrown But what she really really wanted was my rights in the rooms

And I wouldn't understand that I would try to play along And I don't want you to know

I took it with me

But when things are thrown away like they are daily

Time passes in the constant state

So if that is how it is I don't wanna be a star

But a stone on the shore

Long door, frame the wall

When everything's overgrown But what she really really wanted was my rights in the rooms

And I wouldn't understand that I would try to play along And I wouldn't understand that I would try to play

along

And I wouldn't understand that I would try to play along And I don't want you to know

I took it with me

But when things are thrown away like they are daily

Time passes in the constant state
