

# You'll Be In My Heart

[Kenny Loggins](#)

Come stop your crying, it will be alright  
Just take my hand and hold on tight  
I will protect you from all around you  
I will be here don't you cry For one so small, you seem so strong  
My arms on hold to keep you safe and warm  
This bond between us can't be broken  
I will be here, don't you cry 'Cause you'll be in my heart, yes, you'll be in my heart  
From this day on now and forever more  
You'll be in my heart, no matter what they say  
You'll be here in my heart always Some time we can't express the way we fell  
You'll learn to trust, what you can't explain  
I may seem different but deep inside us  
We're not that different at all 'Cause you'll be in my heart, yes, you'll be in my heart  
From this day on now and forever more No matter what happens, there's one thing I know  
We've got each other to help us grow  
You'll see in time, I know, I know  
When destiny calls you, you must be strong  
I may not be with you, so you've gotta hold on  
You'll see in time, I know  
We'll always be together 'Cause you'll be in my heart, always, you'll be in my heart  
From this day on now and forever more  
You'll be in my heart, no matter what they say  
You'll be here in my heart always, always, always For always and always  
You'll be in my heart always and always Whenever you call if ever you need me  
I'll be there beside you, my little one
