

# One Heart, Million Voices

## New Empire

Verse 1:

It may be over for now  
But I am sure I'll see you again  
One day my friend  
When the lights fade away  
The memory remains  
Time may take us take us far away  
Surely time time can bring us back together  
Like an old school reunion  
I'll be standing at the door  
And you'll still look the same

Chorus:

One heart with a million voices  
One day it could all be gone  
Hold on to the words they told us  
Hold on to it all my son  
Oh oh oh oh woah woah  
Oh oh oh woah woah  
Oh oh oh ohhhhh

Verse 2:

It may be over for us  
But seasons change oh they change for a reason  
With the autumn leaves that fall down  
I wrote your name across them all  
So you know that I'm here with you  
And the spring is coming soon my friend

Chorus:

One heart with a million voices  
One day it could all be gone  
Hold on to the words they told us  
Hold on to it all my son  
One heart with a million voices  
One chance to remember your name  
Hold to the words they told us  
Hold on to it all

Bridge:

Just stay forever  
Can't come back to me  
Just stay forever  
Can't come back to me  
Would you just stay forever  
Can't come back

Chorus:

One heart with a million voices  
One day it could all be gone  
Hold on to the words they told us  
Hold on to it all my son  
One heart with a million voices  
One chance to remember your name  
Hold to the words they told us  
Hold on to it all  
Oh oh woah oh woah (x7)
