

Should the Bible Be Banned

McCarthy

My name is Dave
I killed my brother
I whacked an axe through his head
On the hottest day of the year
My blood was boiling
I said, "You're dying"
And so the blood flowed I'm in jail
The press were eager to question me
"How could you do such a thing?"
My father hated me
He always took my brother's side
For Christmas he would get a car
And I'd be given 50p
All alone in my room
Just a Bible
Of Cain and Abel I'd read How my heart bled for Cain
He had problems but God ignored them
It made me so mad I'm in jail
When the story broke
Placards read
"Now should the bible be banned?" I'm in jail
When the story broke
Placards read
"Now should the bible be banned?"
The Home Secretary is looking closely into it
Could a copycat killer copy the Book of Genesis? Should the bible be banned
To keep the peace?
Should the bible be banned
To keep the peace?
Should the bible be banned
To keep the peace?
Should the bible be banned
To keep the peace?
Should the bible be banned To keep the peace?
Should the bible be banned
To keep the peace?
Should the bible be banned
To keep the peace?
Should the bible be banned
To keep the peace?

To keep the peace?
