(Drive it like its fucking stolen)

(Drive it like its fucking stolen) Drive it like its fucking stolen

Pump they tunes with the windows open

Run round town with the system dropping

Drive it like its fucking stolen [x2] Shift, put your foot to the floor

Now shift, OK rev some more

Now shift, put your foot to the floor

Now shift, mate we move up a gear [x2] (Yeah) I want to see everyone, fucking bouncing

Drive it like its fucking stolen Drive it like its fucking stolen

Pump they tunes with the windows open

Run round town with the system dropping

Drive it like its fucking stolen [x2] So swift, yeah car I got it

And I drive just like I stole it

Splif, in my mouth I toke it

Pigs, bacon, fuck the police

Im strickly tipsy fuck the bizzys

We just smoke like chimneys

Drive around and hand out the window

Jump right out if your acting silly Drive it like its fucking stolen [x2] You hear the exhaust? sounds like a Porsh

Im cutting him off, oh shit man Im off Drive it like its fucking stolen

Pump they tunes with the windows open

Run round town with the system dropping

Drive it like its fucking stolen [x2] Shift, put your foot to the floor

Now shift, OK rev some more

Now shift, put your foot to the floor

Now shift, mate we move up a gear [x2] Yes, fucking Auld Reekie, to Glasgow

Drive it like its fucking stolen
