The Cut Up Boys

My, My, My
My, My, My
(Whoaaa)
Whoaa
How did we ever get this way
Where's it gonna go...

My, My, My
My, My, My
(Oooh Ooooh wee)
Ooh
How we gonna make it work
What's it gonna take to do it

My, My, My
My, My, My
(Whoaaa)
Whoaa
How did we ever get this way
Where's it gonna go...

My, My, My
My, My, My
(Oooh Ooooh wee)
Ooh
How we gonna make it work
What's it gonna take to do it

My, My, My
My, My, My
(Whoaaa)
Whoaa
How did we ever get this way
Where's it gonna go...

My, My, My
My, My, My
(Oooh Ooooh wee)
Ooh
How we gonna make it work

What's it gonna take to do it

My, My, My
My, My, My
(Whoaaa)
Whoaa
