

MyMyMy

The Cut Up Boys

My, My, My

My, My, My

(Whoaaa)

Whoaa

How did we ever get this way

Where's it gonna go...

My, My, My

My, My, My

(Oooh Ooooh wee)

Ooh

How we gonna make it work

What's it gonna take to do it

My, My, My

My, My, My

(Whoaaa)

Whoaa

How did we ever get this way

Where's it gonna go...

My, My, My

My, My, My

(Oooh Ooooh wee)

Ooh

How we gonna make it work

What's it gonna take to do it

My, My, My

My, My, My

(Whoaaa)

Whoaa

How did we ever get this way

Where's it gonna go...

My, My, My

My, My, My

(Oooh Ooooh wee)

Ooh

How we gonna make it work

What's it gonna take to do it

My, My, My

My, My, My

(Whoaaa)

Whoaa

How did we ever get this way

Where's it gonna go...

My, My, My

My, My, My

(Oooh Ooooh wee)

Ooh

How we gonna make it work

What's it gonna take to do it

My, My, My

My, My, My

(Oooh Ooooh wee)

How we gonna make it work

What's it gonna take to do it

My, My, My
