

# Don't Look Now But I've Got the Blues

**B.B. King**

My pockets are empty, I feel so low  
If somebody loves me, ain't said so  
And I got holes, both of my shoes  
Don't look now but I've got the blues  
There ain't nobody on this old earth  
Who'll give a nickel for what I'm worth  
I got more worries that I can use  
Don't look now but I've got the blues  
Troubles everywhere  
I act like I don't care, but it's not true  
'Cos I remember things, so many many things  
But mostly, I remember you  
I'm gonna go some place else  
And cry these tears all by myself  
I ain't got nothing left to lose  
Don't look now but I've got the blues  
Troubles everywhere  
I act like I don't care, but it's not true  
'Cos I remember things, so many many things  
But mostly, I remember you  
I'm gonna go some place else  
And cry these tears all by myself  
I ain't got nothing left to lose  
Don't look now 'cos I've got the blues
