Tragic Hero (APB-RMX)

Funker Vogt

I saw all the tragedies
Happened to mankind
I am always involved
When trouble hits our lifeIt's not me to turn the fate
To a better end
What I do will make it worse
So, I stopped interferingI'm a tragic hero
In this game called life
My chances go to zero
I always will surviveI'm a tragic hero
In this game called life
My chances go to zero
I always will surviveI saw all the great disasters
All over the world
I can only observe
But never interactIt's not on me to turn the fate
To a better end
What I do will make it worse
So, I stopped interferingI'm a tragic hero
In this game called life
My chances go to zero
I always will surviveI'm a tragic hero
In this game called life
My chances go to zero
I always will surviveWatch out for me and be aware
Now trouble is ahead
Try to avoid my company
So, you will be safeIt's not me to turn the fate
To a better end
What I do will make it worse
So, I stopped interferingI'm a tragic hero
In this game called life
My chances go to zero
I always will surviveI'm a tragic hero
In this game called life
My chances go to zero
I always will survive
