Hi

Le1f

It's like rats and roaches running all over the hood in the daytime
But I still don't see none of that in their raps, their rhymes or their headlines
No tolerance or care for which talking heads on TV get the most face time
So whatever, it's whatever
But you just wanna go to the mall and shop, don't you? Tsk, tsk
And you just wanna ignore it all, don't you? BasicCheck my whole aura winking at you
International youth gang, we liberal
But I'ma do me is all I can do
But I'ma do me is all I can do
Since 1989, yeah I been getting my
Mind right, took flight, got it in the bag type
Braggin' like you heard right, yup it's my birthright
I'm that wind, water, air, earth type
I'm a nomadic cunt and a chief of my sons
Wherever I lay my snapback then it's done
And I do it for my people, and I do it for fun
And I do it for the money cause it's me and my mum
I'm feeling like such a new being
Check this skin; I'm so Nubian
I'ma be me, who are you being?
I'ma be me, who are you being?
