

South Moon Under

John Anderson

I've got a feeling coming over me
Being here close to you
It's a strong feeling like I never had before
I'm just a little bit nervous, and don't know what to do
It may seem strange but girl I'm wantin' it more

Chorus:

South moon under, it's a natural wonder
It makes lovers fall in love,
It can make you wanna laugh or cry
South moon under, it hits you like thunder
And girl I've got a feeling
There's a south moon under tonight
I've heard old folks talk about
The moon and stars and signs
But I never knew just how true it could be
Then, just out of nowhere and right before my eyes
I saw a light that made a believer out of me

Chorus Chorus

Yeah, girl I've got a feeling
There's south moon under tonight
