Bad Time

Supernatural Soundtrack

I'm in love with the girl that I'm talking about
I'm in love with the girl, I can't live without
I'm in love but I sure picked a bad time
To be in love, to be in love
Well, let her be somebody else's queen
I don't want to know about it
There's too many others that know what I mean
And that's why I got to live without it
I'm in love with the girl I'm talking about
I'm in love with the girl, I can't live without
I'm in love but I feel like I'm wearin' it out
I'm in love but I must have picked a bad time
To be in love
A bad time to be in love
A bad time to be in love
A bad time to be in love
All the stories coming back to me
From my friends and the people that I don't want to see
The things you say, I know just couldn't be true

At least not until I hear them from you
'Cause I still love the little girl, I'm talking about
I'm in love with the girl, I can't live without
I'm in love but I feel like I'm wearin' it out
I'm in love but I must have picked a bad time
To be in love
A bad time to be in love
A bad time to be in love
A bad time to be in love
You know that I love the little girl, I'm talking about
I'm in love with the girl, I can't live without
I'm in love but I feel like I'm wearin' it out
I'm in love but I must have picked a bad time
To be in love
A bad time to be in love
A bad time to be in love
A bad time to be in love
