Wassup Trill E N T? You know what I'm saying?

Niggas best wipes they smirks off, honestly we'll hurt y'all
Hit them niggas heart, tell big boi to skurt off
Ten toes down, now ten hoes down
White Nike one bike if it's 50 hoes round
Ten cali one pipe, now that's fifty whole pounds
Niggas acting like bitches, I'll sit they ass down
Type ass go Webbie I like get in trouble
Bite the hammer when you scared be careful how you play it
All your money and your bread don't mean nothing
When you're dead
Booty ass nigga, school booty ass nigga
Think about me when I ain't around
When I'm around they shiver
Camera ass nigga, fame ass nigga
In the club when I make it rain ass nigga
I'm a ol' neva gon change ass nigga
What trill mean to me I explain nigga
The T for fam I told you I got 'em
The R for real and rovers ready to die
The I for me 'cause I'm the fucking hottest
The L for love and loyal the leaders behind me
The hood for long, it's been a long time and finally
Everybody shining, mayne, fuck it, it's game time
And I'm ready, I'm Webbie, I'm ready, I'm Webbie
I'm ready, I'm Webbie, I'm ready, I'm Webbie
This year all be we all, where we all be
Want something? Call me, try me and y'all see

We want tall, how I'm living but we scared of y'all hood
My homeboy stressed, tell 'em keep his head up
Don't want go back to the slums, so I keep my bread up
If I get my head buss, I don't really give a fuck
What gon' happen to my people only thing I'm scared of

When you look up in your mirror you see a pussy ass nigga
You don't see a boss, hogg, go getta that'll kill you
See a candy ol' fear glitter

My niggas be winning and laughing and fakin? and fronting
