

Inspiration (Sunshine Funk Remix)

[Ian Van Dahl](#)

When your dreams are lost and blown away
And you need someone to make your day
I'll be your inspiration
I'll be your inspiration If there comes a time your hope is gone
And you need some help to carry on
I'll be your inspiration
I'll be your inspiration I'll be your inspiration
I'll be your inspiration 'Cause when you look into my eyes
You can see there's no disguise
Don't be afraid to need some one
You don't have to be alone
Don't be afraid to need some one
You don't have to be alone I'll be your inspiration
I'll be your inspiration 'Cause when you look into my eyes
You can see there's no disguise
Don't be afraid to need some one
You don't have to be alone
Don't be afraid to need some one
You don't have to be alone I'll be your inspiration
I'll be your inspiration I'll be your inspiration
I'll be your inspiration
