Brooke Lynne - Roll Up (DatPiff Exclusive)

Brooke Lynne

Never seemed so simple,
Years of heartache,
games and the pain,
Always was an issue,
Until the day acquaintance was made,
Never could forget you,
Made such a change,
Changed up my game,
I knew you were special,
More than physical,
I was at my worst,
You still saw the best,
Looked past my surface,
Healed all my hurt,
Love from the start,
Both scared of the sparks,
Scared of perfection,
Two souls living for each other,
And we knew nothing of it,
We knew nothing of it,
but

This Love is,
This love is,
This love is,
This love is nameless,
This Love is,
This love is,
This love is,
This love is nameless,
Nameless,
Nameless,
And now my love is,
My love is,
My love is,
My love is shameless,
The person you made me,
The hurt my past gave me has faded,
Faded,

Faded

Unbreakable bond when he was born,
Who would have thought I would have more than ever expected,
I do for him first,
That can't be rehearsed,
As I go, I learn,
He'll never feel worthless,
I'd check him,
Love stronger for him than what I've got for myself,
You know that it's real when you just can't help Feeling a way for the pain that he felt,
Nobody knows of the cards been dealt
But I'm raising a soldier
Hard work, can't lie
But unlike me,
Imma give him the keys to go get this life

This Love is,
This love is,
This love is,
This love is nameless,
This Love is,
This love is,
This love is,
This love is nameless,
Nameless,
Nameless,
And now my love is,
My love is,
My love is,
My love is shameless,
The person you made me,
The hurt my past gave me has faded,
Faded,
Faded
