## Jagged Edge

Remedy

J E y'all

Y'all know what it is, this that

Jagged Lil Thrill, right here

Check this out Think about it baby

Did you think about it while you workin'

While you're working babe

Feelin' like is it something

Is it something more than this

Girl if you need somebody

I'm a bring the Don

So we can get out bubbles on

To a bottle of Perion If you feel, if you feel

If you feel, like you're hungry

Hey baby I can cook your meal

Pick you up

In a Lac Eville, can't believe

That I'm so real

Girl it's you I wanted

And it's you I needed

Girl I got the remedy If you feel it

Girl I got the key remedy to your body

You know like when you're weak in your knees

Girl when you speed it

That makes you rush right home after work

'Cause you feel it

I got it

The remedy

The remedy If you feel it

Girl I got the key remedy to your body

You know like when you're weak in your knees

Girl when you speed it

Makes you rush right home after work

'Cause you feel it, I got it

The remedy

The remedy In the mornin' when we wake at sunrise yeah

Relaxation over your body, you can't deny

When I leave I'm a kiss you bye

I know last night did you right

I'm just tryin' to be the man you like girl  
Baby got a feeling, you be feeling me  
When you're at work to me  
'Cause you know I did my thang  
And whenever you  
Need a cure just call me I'll be your  
Anytime you need a remedyIf you feel it  
Girl I got the key remedy to your body
