

# If I Should Die Tonight (Remastered)

[Cancerslug](#)

i have seen your suicides  
melodramatic lives  
i have seen your fucked up point of view  
i have got no where to go  
no one to trust i know  
i have got nothing to fucking do  
and its all right if i should die tonight  
yeah, its alright with me  
i have got my innocence  
and im going to fuck you with it  
and i wont stop until i am through  
my mother said that my brain was fucked  
and that i would end up dead if i dont stop the stupid shit i do
