

# Permanently Lonely

Willie Nelson

Don't be concerned 'cause it's time I learned  
That those who play with fire get burned  
But I'll be alright in a little while  
But you'll be permanently lonely And don't be too quick to pity me  
Don't salve my heart with sympathy  
'Cause I'll be alright in a little while  
But you'll be permanently lonely The world looks on with wonder and pity at your kind  
'Cause it knows that the future  
Is not very pretty for your kind, for your kind  
Will always be runnin' and wonderin' What's happened to hearts that you've broken and left all alone  
But we'll be alright in a little while  
But you'll be permanently lonely  
Runnin' lonely
