

# Give Ye to Me

## Hilary Weeks

The Disciples watched the crowd as they heard the Saviors words and the afternoon sun began to fade.  
and seeing their need the Lord said give them to eat, and we'll rest for a time by the shore.  
but lord there aren't enough fishes or bread,  
so how will the people be fed? And he said.

(Chorus)Give ye to me all that you have to offer,  
and I will bless it and I will make it more  
and you will have all that you need though  
it seems there's not enough I'll make the difference up.  
give ye to me.

There are times in my life when I feel overwhelmed  
and days just slip through my hands  
and even though I try I fall further behind  
and I wonder why I started it at all.  
but somehow louder than the doubt  
and the fear there is hope in the words that I hear.

(Chorus)

After all I can do there will still be a debt to be paid  
but through his mercy and grace he'll say.  
give ye to me all that you have to offer  
and I will bless you and I will make you whole  
and you will be all that you need  
though it seems there's not enough  
I'll make the difference up. give ye to me.  
give your life to me.

and I will bless you and I will make you whole and you will be all that you need  
and I will bless you and I will make you whole and you will be all that you need  
and I will bless you  
and I will make you whole  
I will bless you I will make you whole and you will be all that you need  
yeah yeah yeah yeah.  
I'll make the difference up  
there will be enough  
give your life to me
