

# As Long As You're There

## Glee Cast

All my life  
I've waited for the right  
Moment to let you know  
I don't wanna let you go

But now i realize  
There's just no perfect time  
To confess how you feel  
This much I know is real

\*So I refuse to waste  
one more second without you  
knowing my heart

Chorus:  
Baby cause i don't need  
anything else but your love  
Nothing but you means  
a thing to me I'm incomplete  
When you're not there  
Holding me, touching me  
I swear all of the rest  
could just disappear  
And i wouldn't even care  
As long as you're there

Take these words  
Don't let them go unheard  
This is my reaching out  
I hope you can hear me now

Cause baby my heart says stay  
Take it, it's your's to break  
I'd rather try and lose  
Than keep this love from you, yeah

(Repeat \*)

(Repeat Chorus)

Each day and night

That I kept this as a secret  
It killed me, It's time  
to share what I feel inside

.

(Repeat Chorus)  
As long as You're There.....
