

# Red Eye (feat. Haim)

Kid Cudi

Hey!

Love, hate, play this game of give and take

Won't stay, we all make mistakes

I'll say, what a wonderful escape

I erase

Hey, hey, hey Things get crazy and I feel I'm losing my mind

I don't know what to do

I'm going insane and I really don't know why

There's only one thing to do

I'm floating through the night on a red eye, red eye

(Through the night on a red eye, red eye)

I'm floating through the night on a red eye, red eye

(Through the night on a red eye, red eye) Things get crazy and I feel I'm losing my mind

I don't know what to do

I'm going insane and I really don't know why

There's only one thing to do

I'm floating through the night on a red eye, red eye

(Through the night on a red eye, red eye)

I'm floating through the night on a red eye, red eye

(Through the night on a red eye, red eye) I can't understand, I don't understand it

The visions in my head

I just can't make sense of it

I can't understand, I don't understand it

The visions in my head

I just can't make sense of it 'Cause I can never run

I can never run, I can never run

There's no use for it baby

I can never run

I can never run, I can never run

I'm so used to you baby

I can never run, I can never run

I can never run

There's no use for it baby

I can never run

I can never run, I can never run

I'm so used to you baby Things get crazy and I feel I'm losing my mind

I don't know what to do

I'm going insane and I really don't know why

There's only one thing to do

I'm floating through the night on a red eye, red eye  
(Through the night on a red eye, red eye)  
I'm floating through the night on a red eye, red eye  
(Through the night on a red eye, red eye) Things get crazy and I feel I'm losing my mind  
I don't know what to do  
I'm going insane and I really don't know why  
There's only one thing to do  
I'm floating through the night on a red eye, red eye  
(Through the night on a red eye, red eye)  
I'm floating through the night on a red eye, red eye  
(Through the night on a red eye, red eye) Ooh! Ooh!  
Things get crazy and I feel I'm losing my mind  
Baby oh oh  
Ooh! Ooh!  
Things get crazy and I feel I'm losing my mind  
Baby oh oh  
Things get crazy and I feel I'm losing my mind  
I don't know what to do  
I'm going insane and I really don't know why  
There's only one thing to do  
I'm floating through the night on a red eye, red eye  
(Through the night on a red eye, red eye)  
I'm floating through the night on a red eye, red eye  
(Through the night on a red eye, red eye) Things get crazy and I feel I'm losing my mind  
I don't know what to do  
I'm going insane and I really don't know why  
There's only one thing to do  
I'm floating through the night on a red eye, red eye  
(Through the night on a red eye, red eye)  
I'm floating through the night on a red eye, red eye  
(Through the night on a red eye, red eye)
