Juno

Curved Air

Juno
Was a star
Everyone loved how he sang
They would
Follow him
Like the pied piper of Hamlin
With a song he'd make them cry
Then he'd take them, make them laugh
When he sang, it felt like magic
He was the king of them allSome who
Heard him sing
Thought he was touched by the devil
Juno
Didn't care (Juno)
He'd seen this before (didn't care)
They would still be there to see him (this before)
Watchin' every move he made them (there to see him)
Lovin' every note he sang them
He was the king of them allJuno
What's your secret?
Are you human?
Juno
How'd you do it?
Is it magic?Just be-
Fore he died
Juno sent out for his critics
When they
All arrived
{He}Told them that he kept a secret
Secret of his great sucesses
Now he was about to share it
But before a word was spoken
He died and so nobody knew
