

Lost Without You (The Jesus Song)

Living Water

CHORUS

Its only You Lord,
Wholl bring me through my darkest hour,
Dont know what I would do Lord,
Without your love and Your awesome power (rpt)

Only You!

Only You Lord...

Wholl bring me through my darkest hour,
Dont know what I would do Lord,
Without your love and Your awesome power

Your love changes me

Your love renews me

Your love revives me

Your love inspires me

Your love renews me

Your love carries me

Your love revives me

Refreshing and reviving power restoring me

Refreshing and reviving power restoring my life

Your love changes me

Your love renews me

Your love revives me

Your love carries me

Your loves restores my life

Refreshing and reviving power restoring me

Refreshing and reviving power restoring my life

Without you lord,

I dont know what Id do.

Without you lord
