

Seein' Red

Dustin Lynch

Flame

Girl you light it up when I hear you say my name

Yeah you know just how to start it

You shine

And I just can't wait to get you out tonight

Yeah you know how bad I want it

Ride this Chevy like a Cadillac

One stop light, no lookin' back

Wherever we're going, gotta get there fast

I'm talkin' red-hot red kiss fallin' off your lips

I'm talkin' red-hot red dress hangin' on your hip

I'm talkin' backseat heartbeat poundin' in my chest

I'm seein' red

I'm seein' red

Can't get you outta my head, girl

Can't get you outta my head

The way you color up my world

I'm seein' red

Down

We can get down some place just outside of town

And bring a bottle if you wanna

That moon

That moon ain't gonna tell on me and you

Just say the word and we're gonna

Ride this Chevy like a Cadillac

One stop light, no lookin' back

Wherever we're going, gotta get there fast

I'm talkin' red-hot red kiss fallin' off your lips

I'm talkin' red-hot red dress hangin' on your hip

I'm talkin' backseat heartbeat poundin' in my chest

I'm seein' red

I'm seein' red

Can't get you outta my head, girl

Can't get you outta my head

The way you color up my world

I'm seein' red

No, I can't get you outta my head, girl
Can't get you outta my head

I'm talkin' red-hot red kiss fallin' off your lips
I'm talkin' red-hot red dress hangin' on your hip
I'm talkin' backseat heartbeat poundin' in my chest

I'm seein' red

I'm seein' red

Can't get you outta my head, girl

Can't get you outta my head

The way you color up my world

I'm seein' red

I'm seein' red

I'm seein' red red red red red
