# Rudie Fails

## White Rabbits

There a way to make it out in time
Keep the cash under the mattress
They're down in the streets
Run for cover

And if you're moneys ain't no good that's fine
While everyone's duking it out and taking names
Well Ill just take a number
'Cause I

No I don't care at all
No I don't care at all, no no no
No I don't care at all!
Nah!

And if there's any consolation
I never got mine so
While your out you're taking name
And taking orders

Theyr'e all
Too cheap
Oh relax
Take yr seat
Now were all laughing
Our sleeps
When its over
Cause I

No I don't care at all
No I don't care at all, no no no
Yeah you could beat the
Living daylights
Right out of me
I don't care at all

No I don't care at all
No! No! No!
I see you running for to knife
I feel so sorry for you

No I don't care at all!
I see you running for to knife
I feel so sorry but I
I don't care at all
