Following You

Wolfsheim

You're walking through the night
Still can't [Incomprehensible]
And I'm following behindYou're playing games of sin
None that fools can win
And I'm following behindFollowing you, following you, following youDo lovers understand your ply?
You command and they'll obey
And I'm watching from behindOne step forward, two steps back
I'm still following your track
And I'm watching from behindFollowing you, following you, following youWaiting here, beside you
I'm waiting for your call
Watching liars passing by
Ooh, I hate them allDon't you realize
That I'm the only one
Who's good for you?You're so heartlessly sincere
But I'm still following you endlessly
I'm following behindYou ain't whore, you ain't nun
On the hunt and on the run
And I'm watching from behindAlways cheating, telling lies
Behind your door I heard you sigh
"Oh prudence, come and rescue me"Prudence come and rescue me
(Following you)
Prudence come and rescue me
(Following you)
Prudence come and rescue me
(Following you)Prudence come and rescue me
(Following you)
Prudence come and rescue me
(Following you)
Prudence come and rescue me
(Following you)Prudence come and rescue me
(Following you)
Prudence come and rescue me
(Following you)
Prudence come and rescue me
(Following you)Prudence come and rescue me
(Following you)
Prudence come and rescue me
(Following you)
Prudence come and rescue me

(Following you)
