

# Playa Cardz Right

## Keyshia Cole

What's up boo?  
Yeah, ha ha ha ha  
YeahAnother shady mission, tricks  
Like watchin' pictures in hazy vision  
Tonight it's love makin', take you any place you wish  
Today we satisfy yesterday with stolen kissesBlind insanity, perfect pictures of me and my family  
Not understanding the death that they planned for me  
If I have kids, will I live to see 'em grow?  
Though I don't know, I live the life of a thug n\*\*\*\*\*  
Until the day I goNo broken promises, a sacred bond broken  
I know I die alone but yet and still I'm hopin'  
Visions of prisons, maybe I'll be forgiven  
I know it's better in heaven 'cause bein' here ain't livin'Close my eyes and see nothin' but pain  
The world's crazy, still lookin' for a queen  
To plant seeds and have babies  
Maybe I'll be the one or just maybe I'm lost  
You'll never know being cautious  
If you play your cards rightI wanna be the one who, who you can depend on  
Who, who'll be the one who'll be there through the thick and thin  
Go by the water, we will be there to the mornin'  
We won't leave until the night and we will be forever moreNo one else can do what you do for me  
Take me away from the pain I feel inside  
And it's gonna be alright, it'll be okayIf we try and take our time  
Please baby, take your time  
And we'll grow, trust I know  
I wanna be the one whoI wanna be the one who, who you can depend on  
Who, who'll be the one who'll be there through the thick and thin  
Go by the water, we will be there to the mornin'  
We won't leave until the night and we will be forever moreYou gotta play your cards right on one  
Can't be rushin' like it's a race, know what I'm sayin'?  
If you be patient and take your time  
And you finesse it9 times out of 10 homeboy  
You gon' wake up wit ya breakfast in bed  
But if you rush and you just be manhandlin'  
Your \*\*\* goin' home tonight, ha haPlay your cards right n\*\*\*\*\*, take your time  
Be patient, go slow, it's better that way  
You ain't heard? Ha ha, playa cards rightI wanna be the one who, who you can depend on  
Who, who'll be the one who'll be there through the thick and thin  
Go by the water, we will be there to the mornin'

We won't leave until the night and we will be forever more  
Take your time, man  
(Take your time)  
Don't be in such a rush  
(In a rush)  
You got to be patient man  
(Ooh, be so)  
Be patient  
It ain't goin' nowhere one  
(Nowhere)  
Get some champagne  
Bring some roses or somethin', ya know?  
(Be forever!) Play some soft sh\*\*  
Light a fire  
(Luther Vandross)  
You gotta be cool wit it  
(Teddy, Teddy)  
You gotta be slow wit it  
(Ooh, be so)  
Got to be patient  
You gotta play a cards right on one  
Can't be rushin like it's a race, you know what I'm sayin'  
(Nowhere)  
If you be patient and take your time  
(Be forever)  
And you finesse it  
Yeah, I tell him to take it slow  
Everybody's movin' so fast these days  
Shoulda listened to every word you said  
Ain't gonna lie because you beautiful  
But it's another reason why they wanna hurt you  
But you know, rest in peace brah
