All the doo doo mamas and the fat bitches
Gone gone gone fuck it up

Tell me when we gone fuck
Tell her dance on my dick

I ain't tryna have a baby
But I'm tryna bust a nut
Yeah a nigga nasty

Now she wanna be my bitch and start a fuckin family

Baby said she pregnant
That was a joke right
I said it must be ya ass cause it ain't yo face
Don't kill all of it
