

# Sweet Fantasy

[Glen Campbell](#)

I had a dream and I saw you standin'  
And you were shinin' just like an angel  
I'd like to thank you for standing by me  
When things were darker you held the candle  
Do you remember when we took a dream  
And then turned it into today together  
Dreamin' seems to carry me back  
To where I wanna be  
Wrapped up in your arms and feeling better  
Rivers will run, mountains will rise  
I love you more than the stars in the skies  
I'll never treat you wrong, won't make you cry  
Just sing you sweet love songs, won't tell you lies  
Wouldn't you like to go ridin' with me  
Into tomorrow, oh, sweet fantasy  
Rivers will run, mountains will rise  
I love you more than the stars in the skies  
Cherish what you sweet remember  
Running through the sands of time  
Cherish it with all that's in you  
Rivers will run, mountains will rise  
I love you more than the stars in the skies  
Rivers will run, eagles will fly  
I love you more than the stars in the skies  
Yes, I love girl, yes, I love girl, yes, I love girl
